NOT A PERMIT

**SPECIAL FILMING CONDITIONS**
**ANGELINO HEIGHTS AREA**

*The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.*

This area is bounded roughly by Echo Park Avenue on the west, Sunset Boulevard on the north and east, and the Hollywood Freeway (101) on the south.

- **Affected residents/merchants/businesses within 500 ft. of any filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation**. *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Cast and crew are not permitted to park on area streets**. Off-street parking must be provided.

- **Minimal posting only for equipment parking will generally be allowed** and only on one side of the street.

- **Posting or parking of equipment is prohibited on the 1300 block of Carroll Avenue (between Douglas Street and East Edgeware Road)** unless the filming address is on that block. In that case the Special Filming Conditions for the 1300 block of Carroll Avenue must be followed.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
